## Parking Stipend During AAM Houston 2011 Friday, May 20 - Wednesday, May 25

AAM Houston 2011 is pleased to provide a parking stipend for volunteers who are generously giving of their time during AAM Houston 2011. We appreciate your understanding that due to the wide variety of parking options and management companies in the downtown area, negotiating a single parking option is not feasible. It is our goal that volunteers will not have to pay for parking. We offer this information to make the process as easy for volunteers as possible while staying within our budget.

***Please be prepared to pay for your parking upon arrival and bring a receipt to the Volunteer Office for your stipend.***

### **Preferred parking location - \$7 flat fee lots to match AAM per shift/per car budget.**

#### Parking Lot 1:

Adjacent to the George R. Brown Convention Center bordered by Avenida De Las Americas, Capital Street, Hamilton street, and Rusk Street (on the end north end of the GRBCC nearest Minute Maid Park). Telephone number (713) 853-8970.

An attendant should be working in this lot. Please be prepared to pay \$7 parking and ask for a receipt. Bring your receipt to the Volunteer Office for \$7 reimbursement.

#### Parking Lot 2:

Adjacent to the George R. Brown Convention Center bordered by Chenevert Street, Polk Street, Hamilton Street, and Clay Street (on the south end of the GRBCC nearest the Hilton Hotel). Telephone number (713) 853-8970.

This parking lot uses an unmanned automatic payment and entry system. You may either insert \$7 cash or a credit/debit card (MC, VISA, AMEX, DISC) to pay for parking. Be sure to push the "receipt" button and bring your receipt to the Volunteer Office for \$7 reimbursement.

### **Why not take Metro?**

Janis Scott is an AAM Volunteer and is known around town as "The Bus Lady." She loves public transportation and has offered to help anyone find their way around Houston. She is waiting for your call at (832) 865-9990. Just tell her where you live or work and she will help you find a bus route to the George R. Brown.
